

# Product Safety Recall

## Do you own this product?

### SCA Rust Converter – 250ml

Product Code: 450360

Batch Number: **22091335** – check printed label on side of bottle to locate batch number.

Dates sold: 1<sup>st</sup> September 2022 – 26 May 2023

**Why the product is recalled:** A fault with 250ml containers from batch 22091335 may crack allowing the product to leak.

**Hazard:** There is a risk that, if the product leaks from the container it may cause burns to skin, eye/breathing irritation, and damage/corrode property.

1. Consumers are advised to immediately stop using the product.

Consumers are advised to place the affected product in a securely fastened plastic bag and then place in a secondary container and return it to your nearest Supercheap Auto store for a full refund.

When handling the product, consumers should wear gloves and eye protection. Consumers should thoroughly wash their hands after handling the product, even if there is no obvious sign of leakage.

2. Send us an email or phone us if you are unable to return the product or have sold or gifted it to another person.

For further information please contact Supercheap Auto (SCA) customer care centre on 0800 500 605 Monday – Friday from 9am to 8pm and Weekends from 10am to 7pm NZST or see our website on <https://www.supercheapauto.co.nz/customer-service/product-safety-warranty.html>
