

Product Safety Recall

XTM 150PSI 250LPM Dual Air Compressor

An orange and black dual pump portable air compressor. PLU 606623

Sold at Supercheap Auto stores between 1st Apr 2021 to 20th of Jan 2022.

Defect: An internal fault with the control relays may cause the compressor housing to melt or catch fire.

Hazard: If the control relays fail, there is a risk the product catches fire, which may result in property damage and/or serious injury or death.

What to do: Stop using the air compressor immediately and return it to your nearest Supercheap Auto store for a full refund.
