

Product Safety Recall

SCA 10 Amp 3 Metre Extension Lead

3-metre white coloured extension lead, rated 250V 10 Amp. The product code 364960 is not explicitly stated on the extension lead, so please check the markings on the socket (KF-AY1), the cord (Ningbo Kaifeng Electric Appliance Co) and the plug (KF-CA12) to identify the affected product being recalled.

Sold at Supercheap Auto stores and online between 2016 to 2022.

Defect: Connections in the extension lead may be loose. This can result in the cord or socket overheating or catching fire.

Hazard: Risk of fire or burns causing serious injury.

What to do: Consumers should immediately stop using the extension lead and return it to your nearest Supercheap Auto store for a full refund.

Contact details: For more information, contact Supercheap Auto:
